

NOWA FLA 710 S

Universal industrial cleaner

- Versatile degreaser
- Multi surfaces
- For auto-scrubbers

Product profile

- NOWA FLA 710 S is a powerful and versatile degreaser which removes stubborn soiling such as oil, grease, fat, resin and coking.
- The product prevents micro-particles to adhere on surfaces.
- NOWA FLA 710 quickly separates in oil separators, which makes it perfectly suitable for industrial use. (Ö-Norm B 5105)
